

indulge in the luxury of nature

## FOOD AND BEVERAGES

Complete breakfast cuisine is provided and the kitchens are stocked with quality local olive oil and basic organic (where possible) condiments.

Bar facilities are available in both luxury eco lodges and stocked with local white and red wines, beer, sparkling wine, soft drinks and local organic nuts and dried fruits (charges apply). Special bar orders can also be arranged.

Michael and Jill also offer delicious catering packages upon request, so you can enjoy your holiday without the trouble of sourcing your own food and beverages.

The Eyre Peninsula region is world renowned for its top restaurant quality seafood. Michael and Jill can arrange local fresh seasonal produce for guests that can include lobster, fresh fish, prawns and oysters, cheeses, specialty meats, fruit and vegetables, and award-winning local wines. Pre-ordering at least two days before your arrival is essential.

Email [info@tanonga.com.au](mailto:info@tanonga.com.au) if you would like us to provide you with further information about seasonal catering food and drink packages available.
